

MODULE 8 | International Frameworks

Learning Objective	This module demonstrates how human mobility in the context of climate change is seen as an important issue for humanity and policy. Legal frameworks, policies and strategies to manage climate and disaster-induced displacement are used to protect human rights and reduce long term risks. In this context it is widely understood that international frameworks are needed to address human mobility in the context of climate change.	
Learning Outcome	After use of the tool, participants will <ul style="list-style-type: none"> ▶ understand: <ul style="list-style-type: none"> ▶ how the UNFCCC has sought to address HMCCC ▶ the importance of the Task Force on Displacement ▶ how delimited approaches can address HMCCC ▶ be able to: <ul style="list-style-type: none"> ▶ describe how the term “Climate Refugees” and the Geneva Convention relate to HMCCC ▶ explain the importance of the Global Agenda for Sustainable Development for HMCCC 	
Target Group	All	
Type		Duration 30-40 minutes
Use		Participants n/a
Material Needed		▶ n/a
		▶ atingi.org
Preparation Steps	▶ Register participants on atingi	
Implementation Steps	▶ Participants go through online module individually online
