

## MODULE 7 | Gender and HMCCC

<b>Learning Objective</b>	<p>This module puts a spotlight on the interrelation between gender and HMCCC. Impacts of climate change and disasters affect gender roles in all their diversity differently. Their responses – including mobility – also differ.</p> <p>You will learn to define and differentiate the key terms, such as gender, sex and intersectionality. You will understand how gender influences human mobility patterns.</p> <p>The module highlights gender-based challenges and gender-based opportunities for people on the move as well as for home communities. Finally, learners are given guidance on how to apply a gender lens in their own field of work.</p>
